The background features a light brown wood grain texture. On the left and right sides, there are abstract, overlapping green shapes in various shades, ranging from light lime green to dark forest green. The text is centered in the wood grain area.

Pomlad v gozdu in na travniku

Le živetni ni dovolj, imeti
moramo sonce, svobodo in
majhno cvetico.

Hans.C.Andersen

Spomladanska resa (Erica)

Navadna trobentica (*Primula vulgaris*)

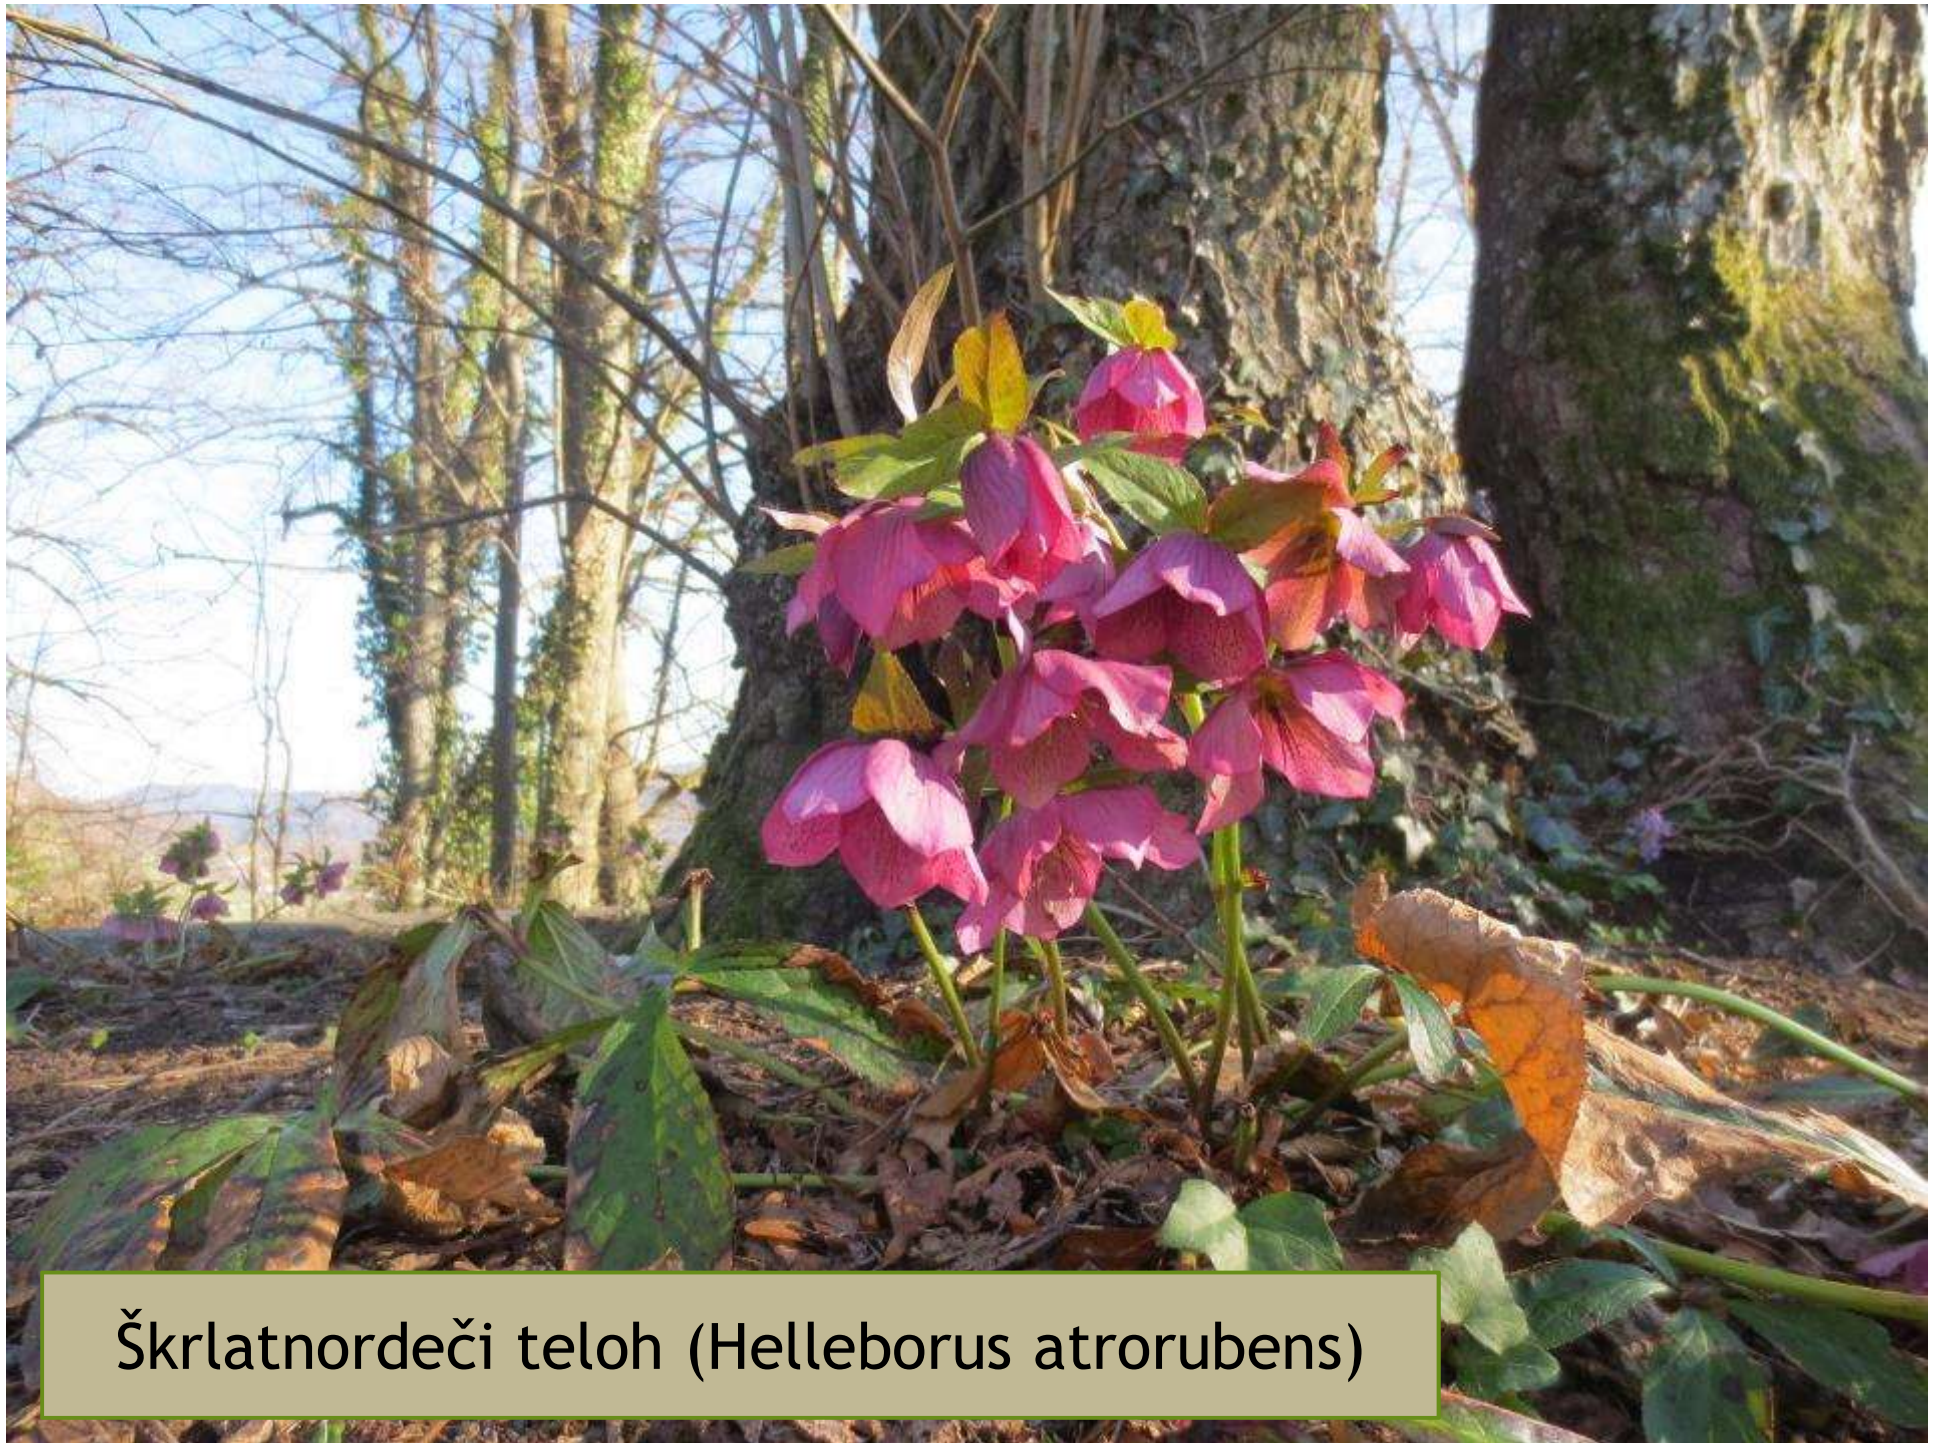

Spomladanski žafran (Crocus)

Žafran, nunka (Crocus)

Dvolistna morská čebulica (Scilla)

Škrlatnordeči teloh (*Helleborus atrorubens*)

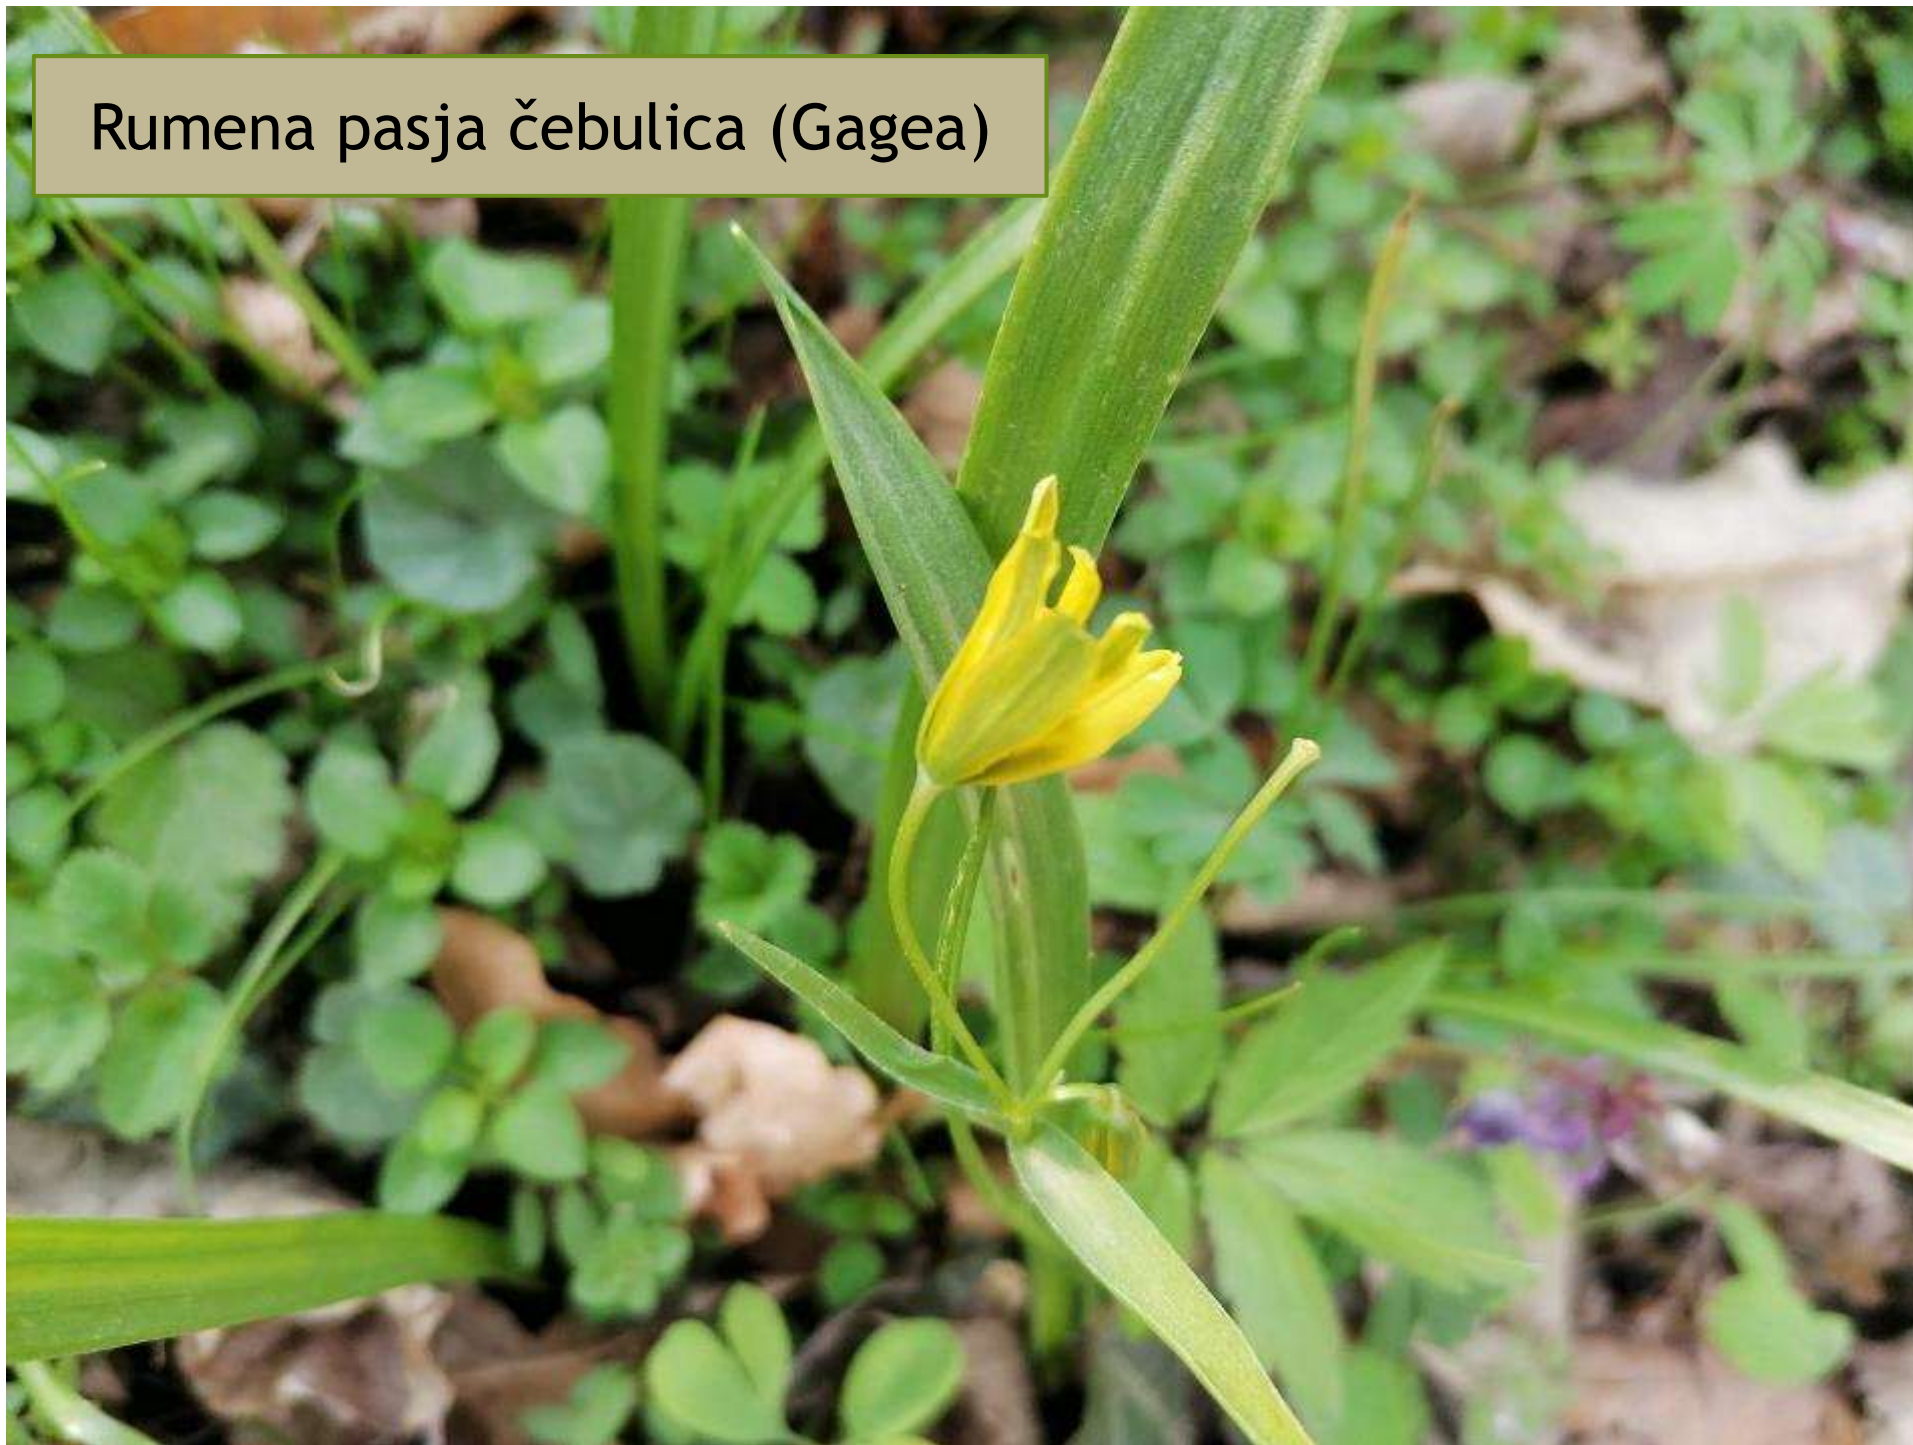

Zeleni ali hostni teloh (*Helleborus dumetorum*)

Votli petelinček (*Corydalis*)
